### **Know Trends**

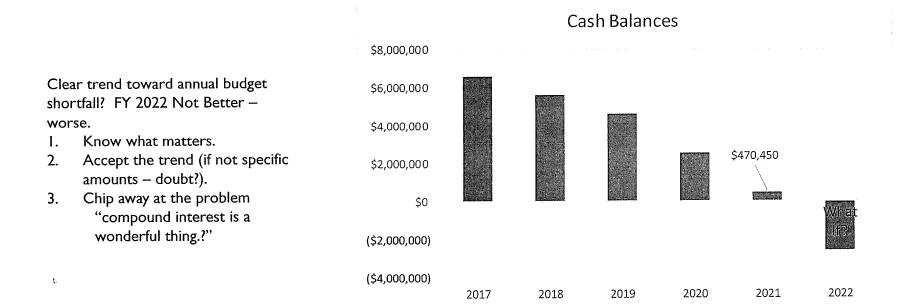

Clear trend toward annual budget shortfall? FY 2022 Not Better – worse.

- I. Know what matters.
- 2. Accept the trend (if not specific amounts doubt?).
- 3. Chip away at the challenge: "compound interest is a wonderful thing?"

### Cash Reserves...

Revenue shortfall will deplete the cash balance.

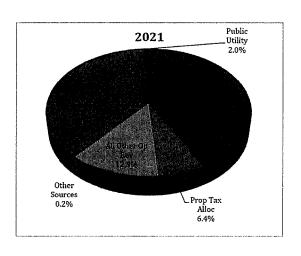

If the board member stops at FY 2021 ending cash balance it can provide a false sense of "in the black."

What if the revenue shortfall trend continues?
