

Using Diagnostics to Craft a Postsecondary Plan

Andrea Conner

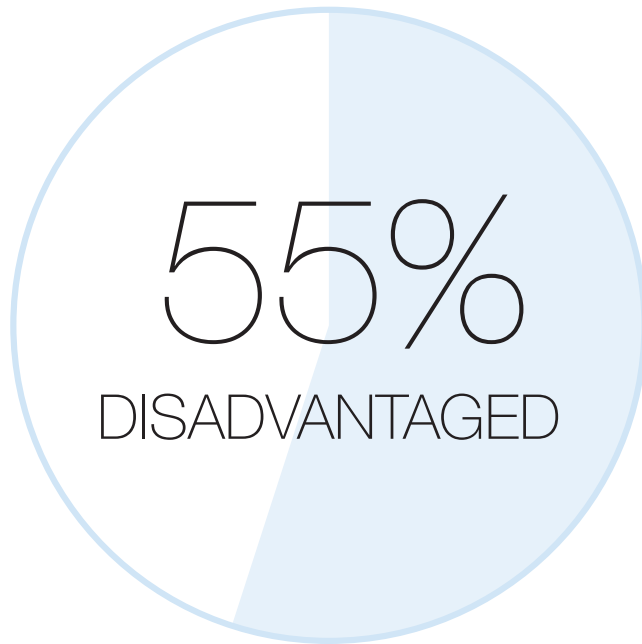

Mark Edwards

Mark Slagle

The Goshen Local School District

High needs Limited vision

Achievement vs Success

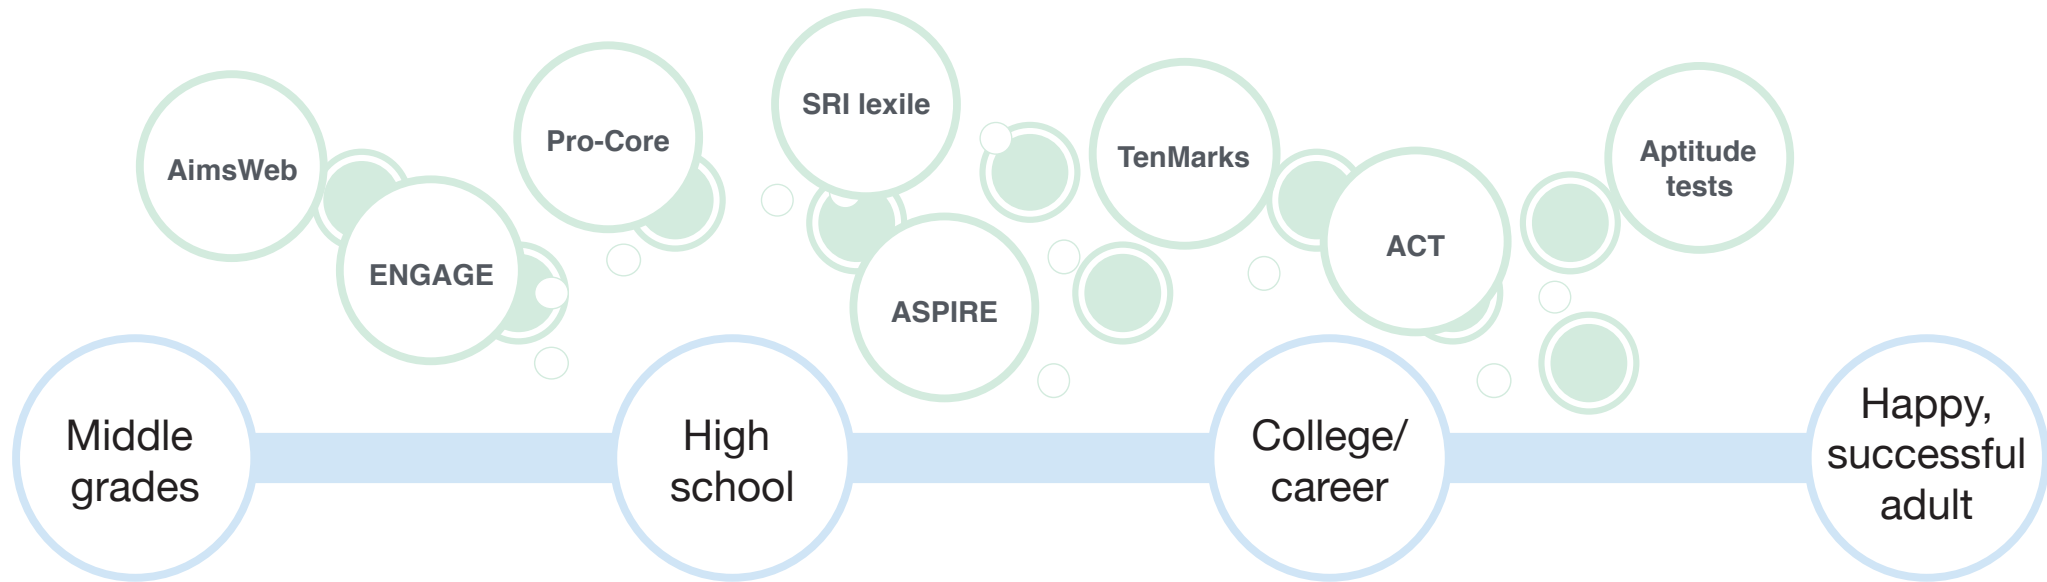

An evolving path necessitates a new plan

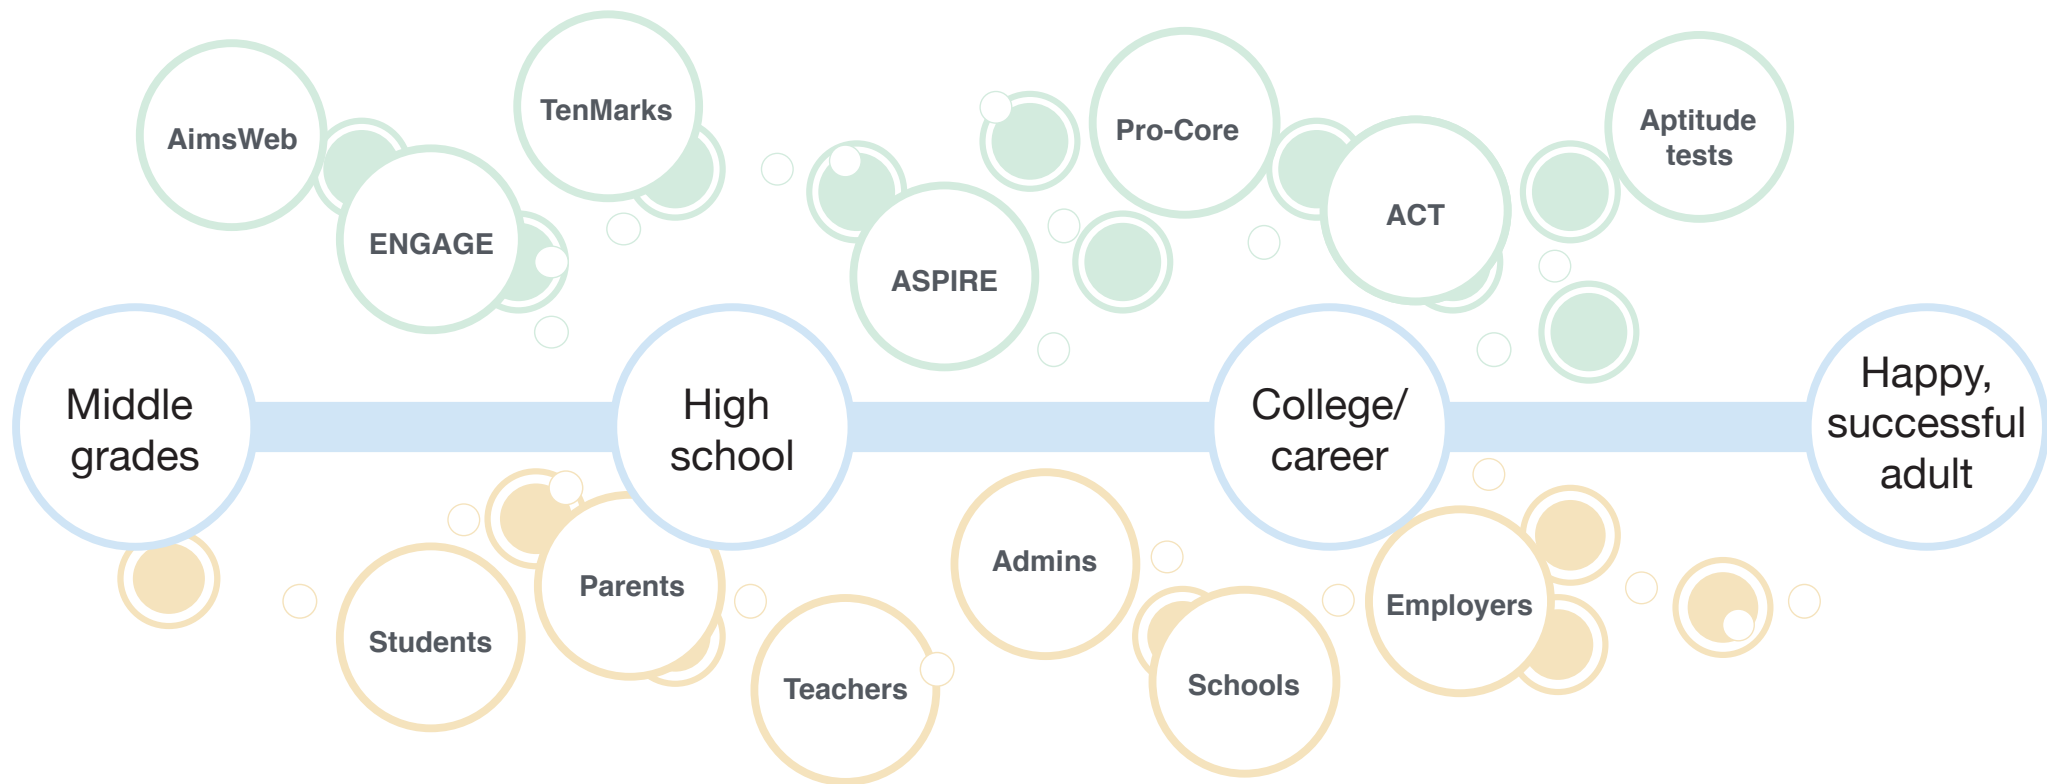

An evolving path necessitates a new plan

More assessments, more diagnostics, more confusion

An evolving path necessitates a new plan

Stakeholders don't have access to information

New legislation yields changing expectations

Career Advising Policy

- Advising for all students grades 6-12
- Schoolwork linked to career fields
- Drop out prevention
- Employee training on career advising
- Academic and career pathways for HS students
- Dual-credit and career-tech requirements
- Documentation of advisement history
- Support for transition to post-secondary destinations

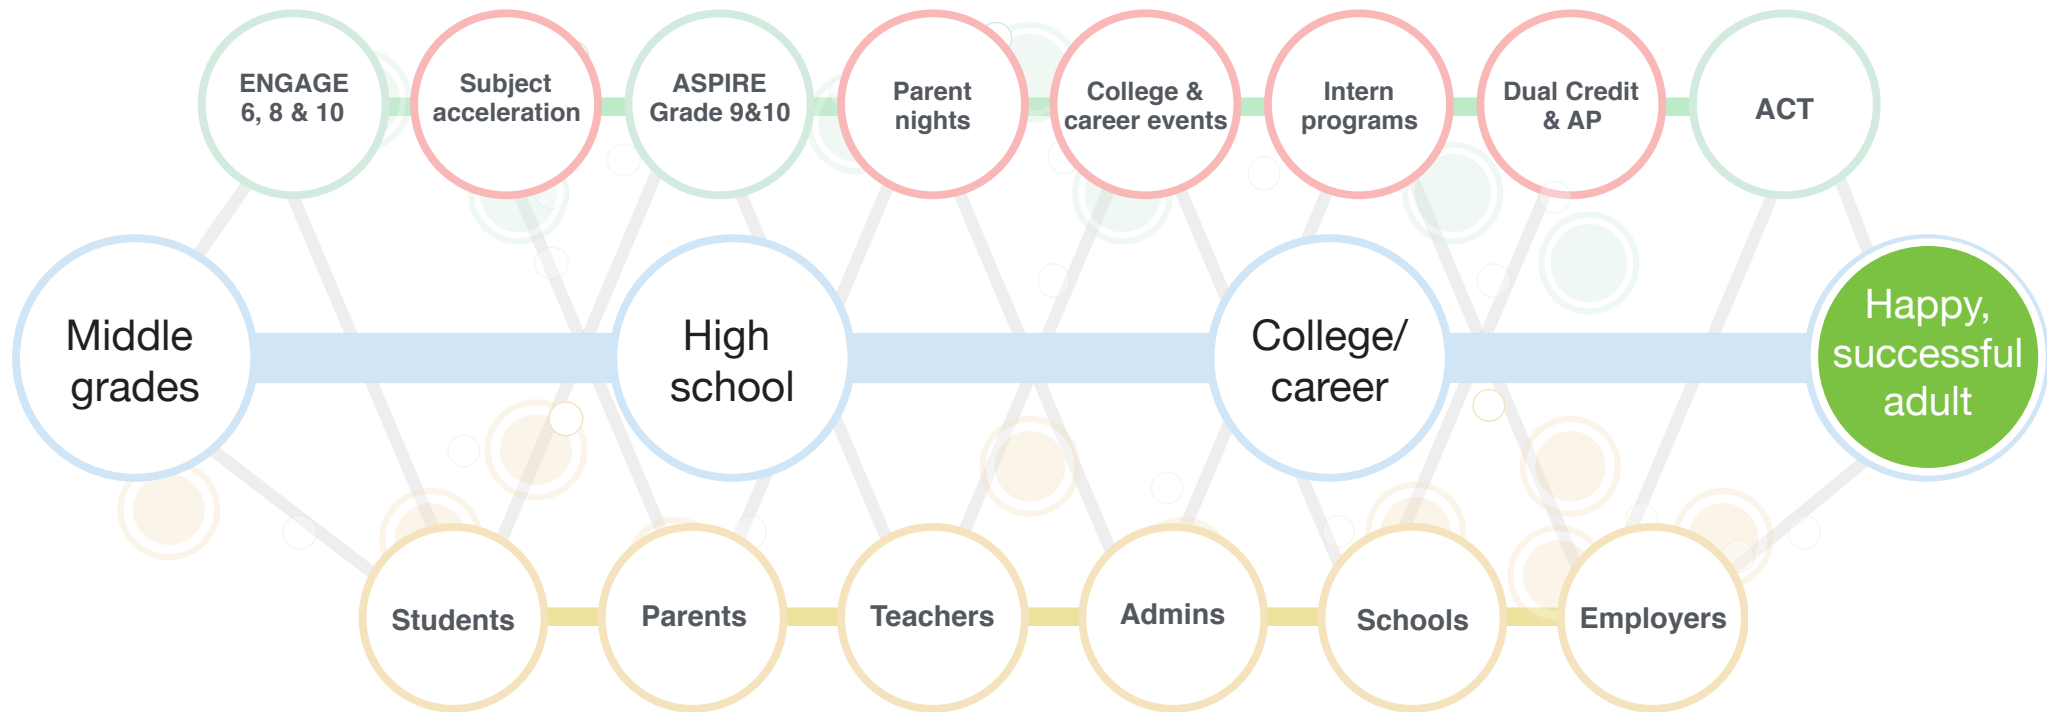

ESSA & PFS

- Increased focus on graduation rates
- Accountability interventions for low-performing schools
- Reinforces **CAP** by requiring districts to facilitate effective transition from middle school to high school and on to post-secondary education
- PFS requires that schools track every student and look past EOY results

Compliance vs student impact

By using **data** to inform **programs** and ensuring access for **stakeholders**, **paths** and plans become clear

At
Risk

Likely to graduate
HS in 4 years

Academic outlook analysis (based on ENGAGE responses)

Strengths	Continue to develop	Plan to improve
27	Commitment to school Commitment to stay in school and obtain a high school diploma	
6	Family attitude toward education Positive family attitude regarding the value of education	
13	Optimism A hopeful outlook about the future in spite of difficulties or challenges	
99	Orderly conduct Tendency to behave appropriately in class and avoid disciplinary action	
52	School safety climate School qualities related to students' perception of security at school	
24	Relationships with school personnel Extent to which students relate to school personnel as part of connection to school	
8	Family involvement Family involvement in a student's school life and activities	
70	Academic discipline Degree to which a student is hardworking and conscientious in completing work	
46	Managing feelings Tendency to manage duration and intensity of negative feelings	
27	Thinking before acting Tendency to think about the consequences of one's actions before acting	

Additional ENGAGE survey responses

Isabella has changed schools 1 time
her prior grades are mostly As
she rarely has no homework
she rarely skips class

1-2 hours of homework per day
none of television per day
none of video games per day
3-4 hours online per day

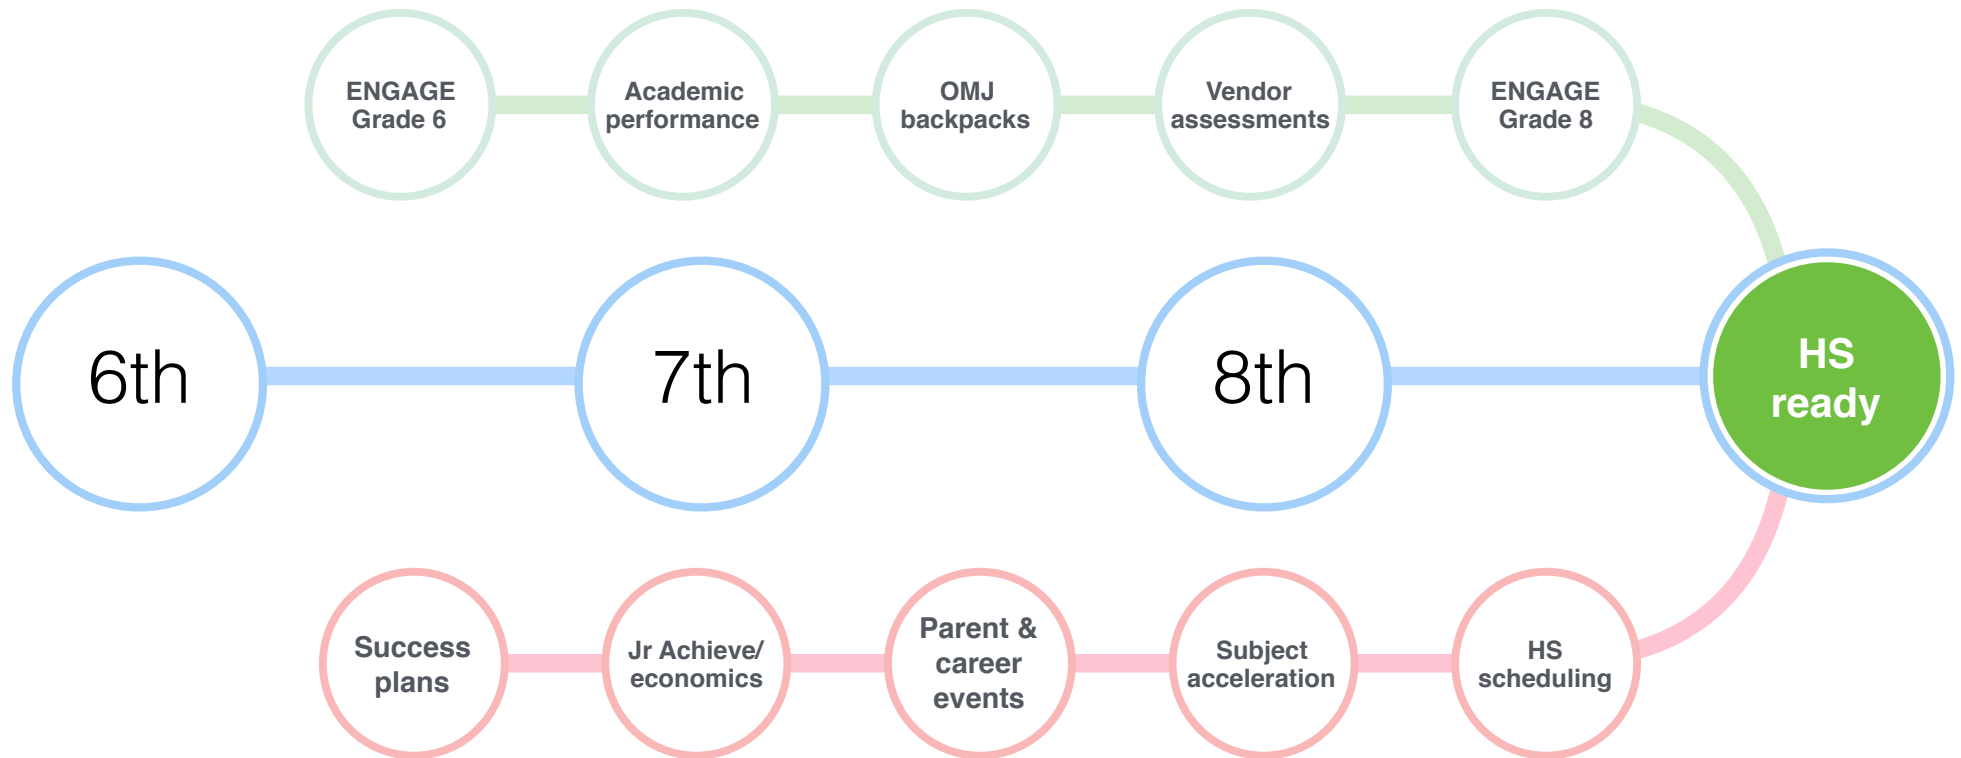

Analysis of summary data creates context and informs future programs

&

Ohio
MEANS
Jobs.

The free OMJ Backpack program allows students to explore and identify the best jobs for them. Combined with accessible ACT and diagnostic data, a full picture of the student's needs appears.

Data embedded in programs yields impactful conversations

Data

- 6th grade ENGAGE
- 8th grade ENGAGE
- ACT subject area assessments
- 9th grade ASPIRE
- 10 grade ASPIRE
- k-12 diagnostic data
- k-12 state assessments
- PSAT
- Practice ACT & ACT

Programs

- Targeted enrichment
- College & Career Events
- Data-driven student scheduling
- Subject acceleration
- Junior Achievement / Economics
- Ohio Means Jobs
- Dual credit & AP opportunities
- Job shadowing & internships
- Graduate follow-up

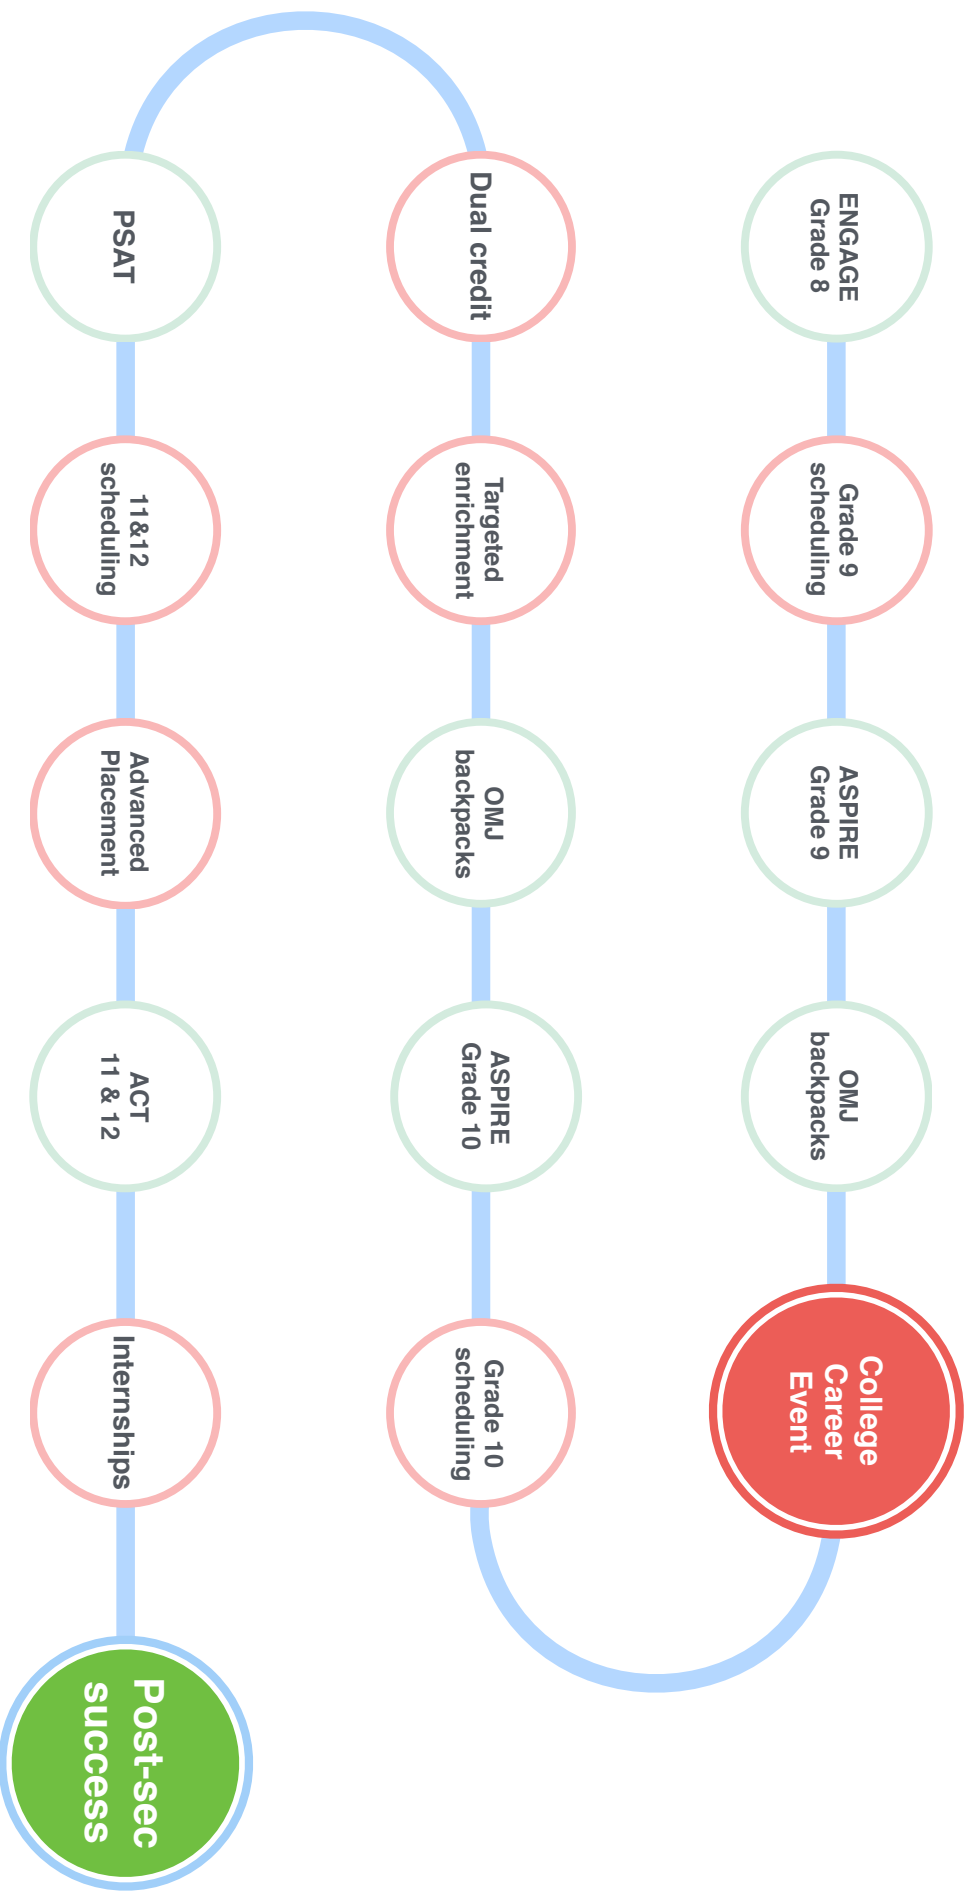

Outcomes

- Stakeholder engagement
- Focused programming
- Needs identification
- Targeted scheduling
- Professional experiences
- Career certifications
- Remediation-free graduates
- Post-sec success for every student

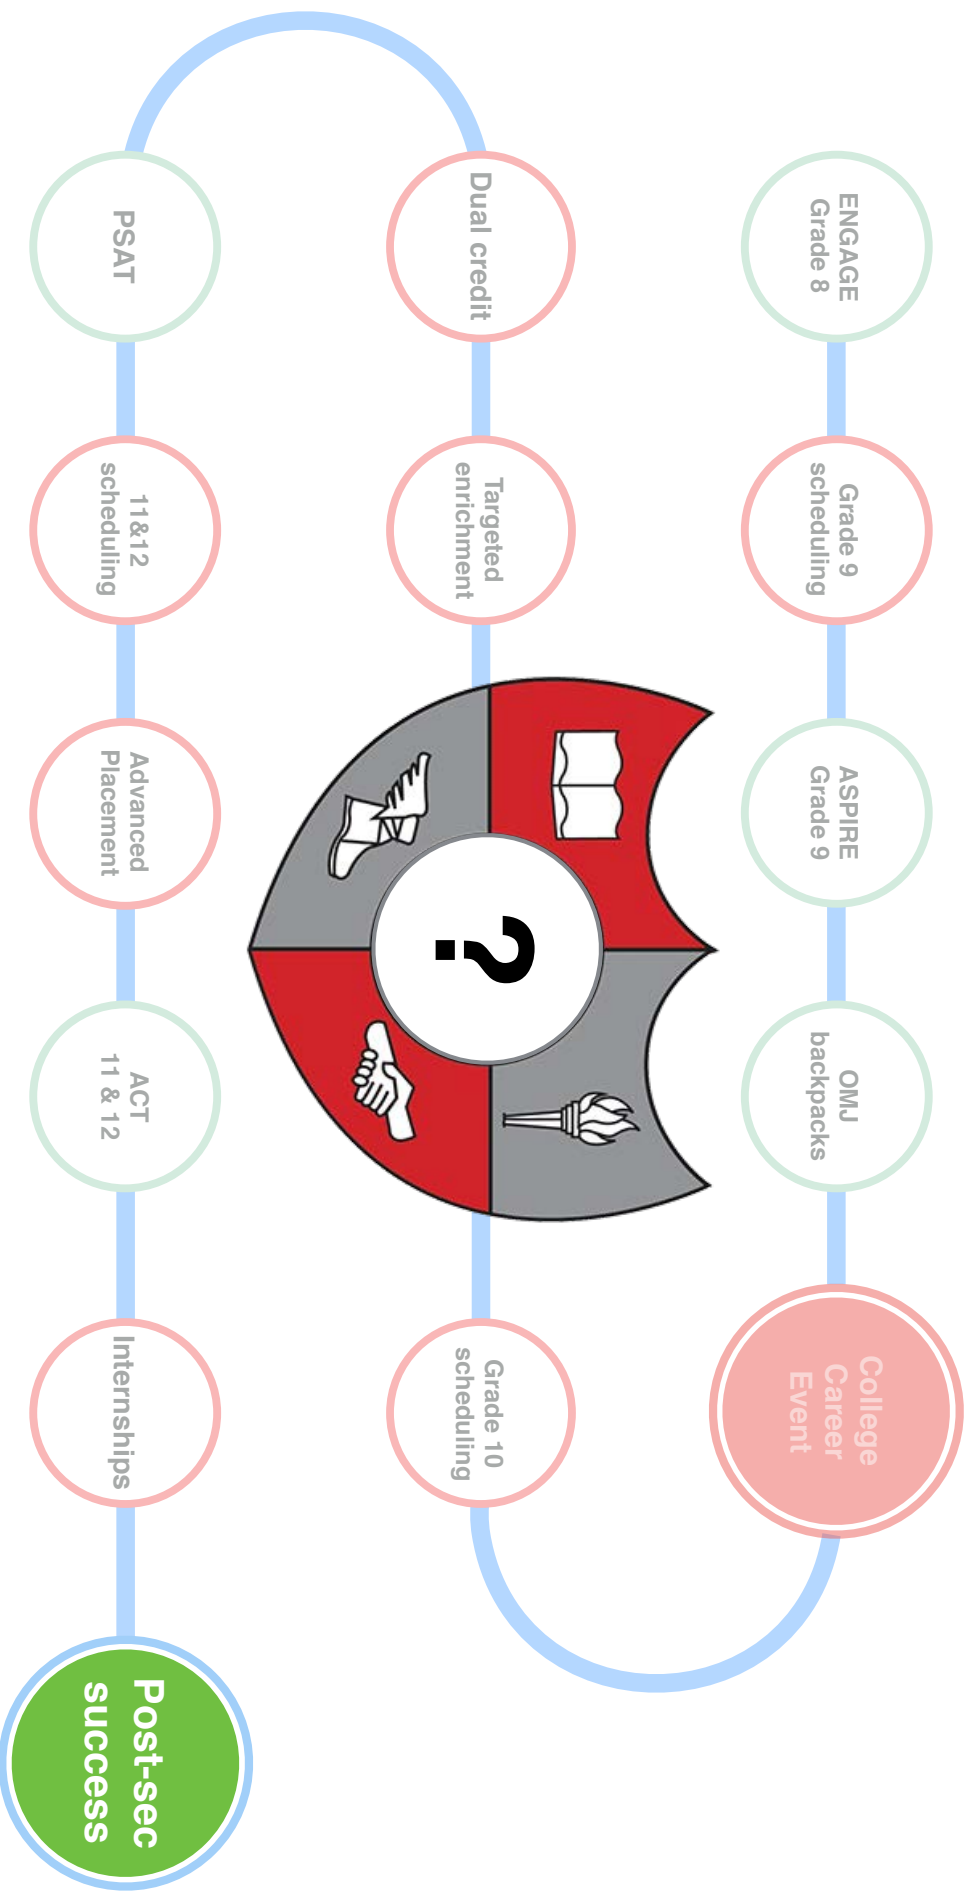

Achievement vs Success

GLSD College/Career Readiness Path

GLSD College/Career Readiness Path

Where does your plan begin?

The many successful programs and events your district has in place can and should be viewed as part of the path to post-secondary success.
